Our School Vision

Jesus the Good Shepherd said, “I have come to give life – life in all its fullness.” John 10:10

Queen Eleanor's is a church school that serves the community:

- Offers a loving, welcoming and respectful environment that celebrates children and families of all faiths and none
- Provides an oasis of green space that supports physical, mental and spiritual wellbeing
- Values a rich and growing diversity, enabling all children to have a voice and become global citizens

Reading

- **Reading will be an activity taking place at home and in school.**
- It is extremely important that you listen to your child as often as possible and record this in their reading record. A combination of reading independently and to an adult is necessary to ensure depth of understanding is achieved.
- Focused comprehension activities will take place during Guided Reading sessions, as well as spelling reinforcement, grammar and punctuation tasks.
- The Reading Ramble is a good opportunity to share reading experiences together.

- If you choose your child to have one as they walk home, we recommend a 'brick' style phone.
- If they need one, it must be off and put in the basket on the teacher's desk.

Social Media

- Unlimited and unchecked online access puts children at an increased risk of being groomed, or recruited to County Lines activity.
- Evidence continues to build outlining the harmful physical and emotional effects of giving children too much access to screens, games and social media.
- Evidence also suggests that the distractions of smartphones cause poorer performance in school.
- Road traffic accidents involving children are now invariably linked directly to, or involve, the use of technology on or around roads.
