

## **Queen Eleanor's C of E Junior School** **Pupil Premium Action Plan: September 2022-23**

Allocation of funding for 2022-23: **£47,090**

### **Summary of the main barriers to educational achievement faced by eligible pupils of the academy:**

- Pupils being 'ready to learn' in class, pupils are emotionally ready to learn in school
- Gaps in prior learning which can be also linked to attendance
- Attendance and time keeping – missing essential school learning
- Access to resources outside of school to enhance learning
- Low aspirations about what can be achieved and how to be successful and limited access to positive role-models
- Lack of regular routines including home reading, homework, spellings and having correct equipment in school e.g. PE kit, swimming kit, etc.

The Pupil Premium will be used to address the main barriers listed above, raise the attainment of disadvantaged pupils and close the gap between these children and their peers, in addition to supporting children and young people with parents in the regular armed forces, by:
